

# CARING FOR THE ENVIRONMENT

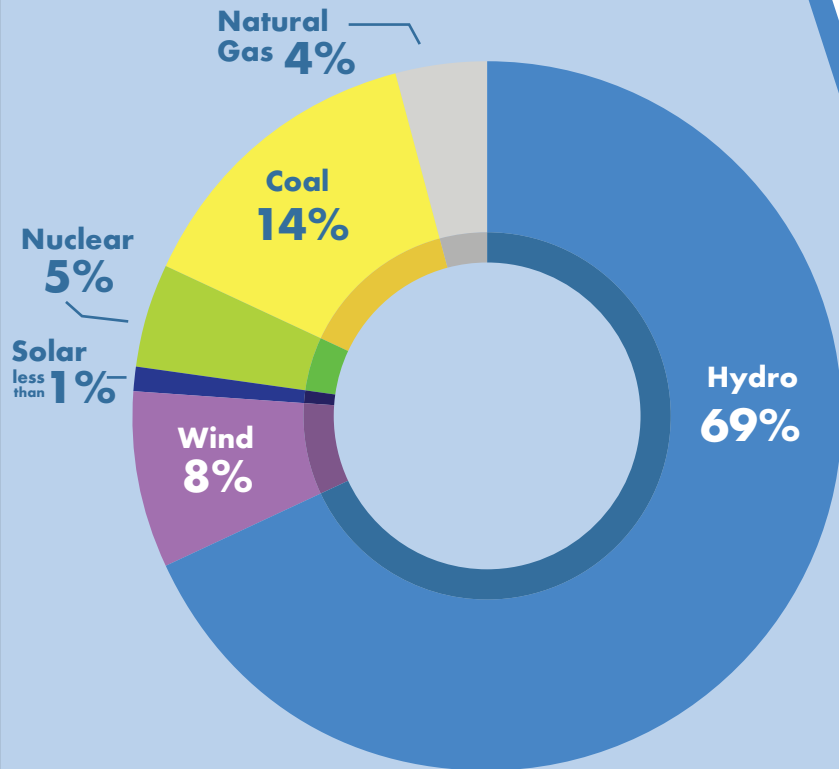

## Valley City's Power Supply Mix

Our diverse mix of power supply resources results in reliable, affordable and environmentally friendly electric service for Valley City's citizens and businesses.

Renewable resources continue to be added to the mix. A small solar project was added in 2016 and a new hydroelectric project is under construction.

To learn more, call us today at (701) 845-1700.

### 2018 RESOURCE MIX FOR VALLEY CITY

**77%** Valley City's percentage of renewable power supply  
**82%** Valley City's percentage of carbon-free power supply

**HYDROPOWER** → Our most reliable renewable resource.

**WIND POWER** → Available about 35 percent of the time.

**SOLAR POWER** → Available about 20 percent of the time.
